BEING A LOCAL COUNCILLOR

What's it all about? Help make a difference by influencing decisions that affect your community?

Then stand for election to become a councillor on your local council:

East Donyland Parish Council Elections on 7th May 2020

Deadline for nominations to be received is 4pm on 8 April

Who is eligible? Any person over the age of 18 who is a citizen of the United Kingdom, The European Community, or the Commonwealth can be a Councillor if they are an elector in, work in, live in or live within three miles of the area of the local council.

What will I do if elected? Raise matters that the Council can consider and formally decide to take action about at meetings.

Attend Council meetings.

Make informed contributions which influence the debate on business that needs to be decided at those meetings.

Participate in the Council's decision making process, which in itself is subject to strict rules and guidelines.

Represent the Council externally.

Fun Facts; A councillor's normal term of office is 4 years

You would be the holder of a Public Office and not a volunteer and can receive expenses for your role. The main job of a councillor is to participate in the collective decision making processes of the Council.

You have no authority to make decisions about Council business on your own. A Local Council may arrange insurance cover to indemnify its councillors against liability resulting from them being representatives of the Council.

A councillor's financial and certain other interests in Council business must be transparent. You would be subject to obligations set out in the Code of Conduct adopted by the Council. Information about councillor's is available in the Council's publication scheme
